INDRANKSH

POWERING TOMORROW, CONNECTING TODAY

# A ELECTRONIC PRODUCT MANUFACTURING COMPANY

INDRANKSH ELECTRONIC (OPC) PVT. LTD.

INDRANKSH

POWERING TOMORROW, CONNECTING TODAY

Our History From The Beginning

Introduction:

In the dynamic landscape of ELECTRONIC, INDRANKSH has stood as a beacon of innovation and quality for the past 15 years. Our journey began with a commitment to manufacturing excellence, and over the years, we have expanded our horizons to conquer new territories, including the ever-evolving electronic market.

Milestone Achievements:

Throughout our journey, we have celebrated numerous milestones. Whether it's achieving industry certifications, expanding our production facilities, or receiving accolades for our contributions to innovation, each milestone represents a chapter in our story of success.

Founding Years:

INDRANKSH was founded in 2024 by KANHAIYA, a visionary entrepreneur with a passion for kiosk and display solutions. From humble beginnings, our company quickly established itself as a pioneer in designing and manufacturing.

Looking Ahead:

The journey doesn't end here. Indranksh is poised for the future, with a vision to continue leading the way in both Electronic and the electronic market. Our passion for innovation and dedication to customer satisfaction remain unwavering.

S.W.O.T. DIAGRAM

Strengths

1. 15 years of industry expertise

2. Strong commitment to quality

3. Skilled workforce

4. Global presence

Technological advancements

Opportunity

1. Embracing emerging technologies

2. Global market expansion

3. Focus on sustainability

4. Strategic partnerships

5. E-commerce trends

S   W   O   T

Weakness

1. Market dependency
2. Supply chain vulnerabilities
3. Diversification challenges
4. Cost structure sensitivity
5. Adaptability to market trends

Threats

1. Intense market competition

2. Economic downturns

3. Regulatory changes

4. Technological disruptions

5. Global events and pandemics

OUR OBJETIVES AS COMPANY

Market Leadership

Secure a leading position with innovative products, aiming for 80% market share growth.

Operational Efficiency

Improve productivity, targeting 100% reduction in production costs and 90% reduction in lead times..

Product Diversification

Expand portfolio with customized new products, entering specific markets to meet evolving consumer demands
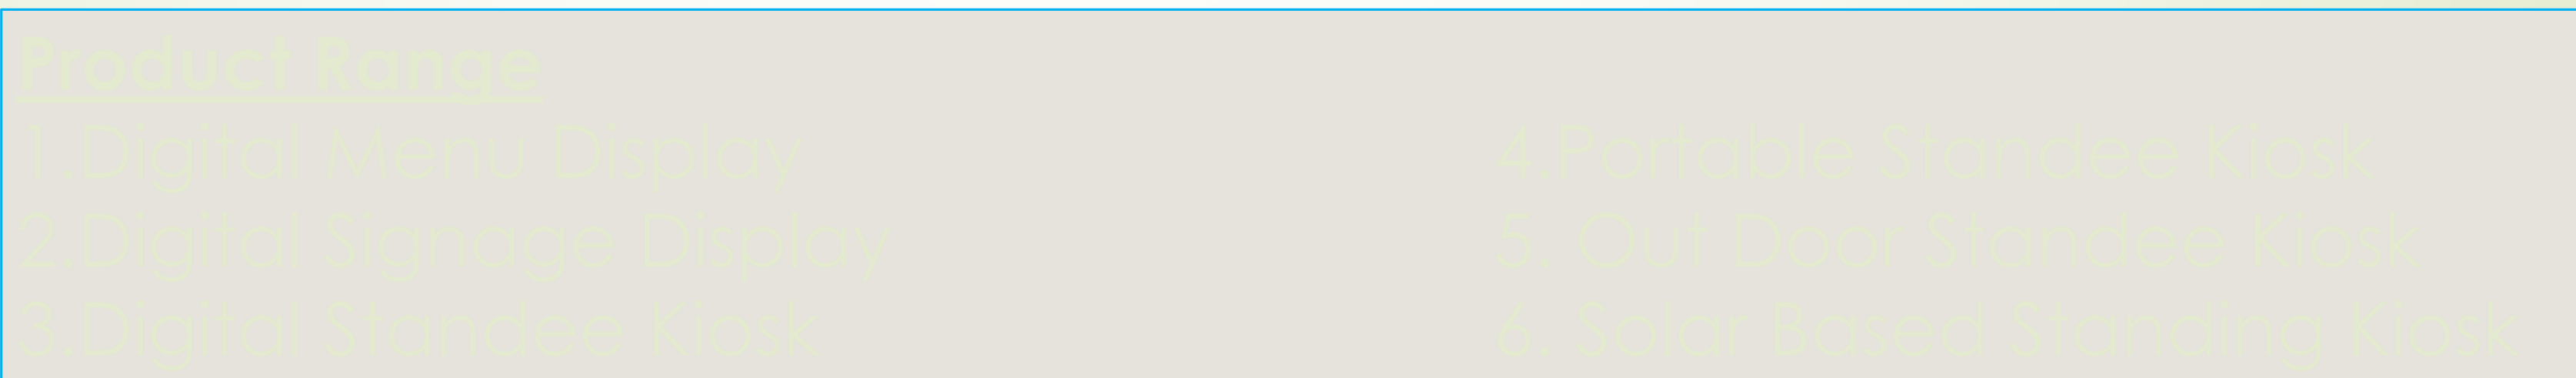

Sustainability Focus

Achieve eco-certification, introduce sustainable products, and implement green practices for a 100% carbon footprint reduction
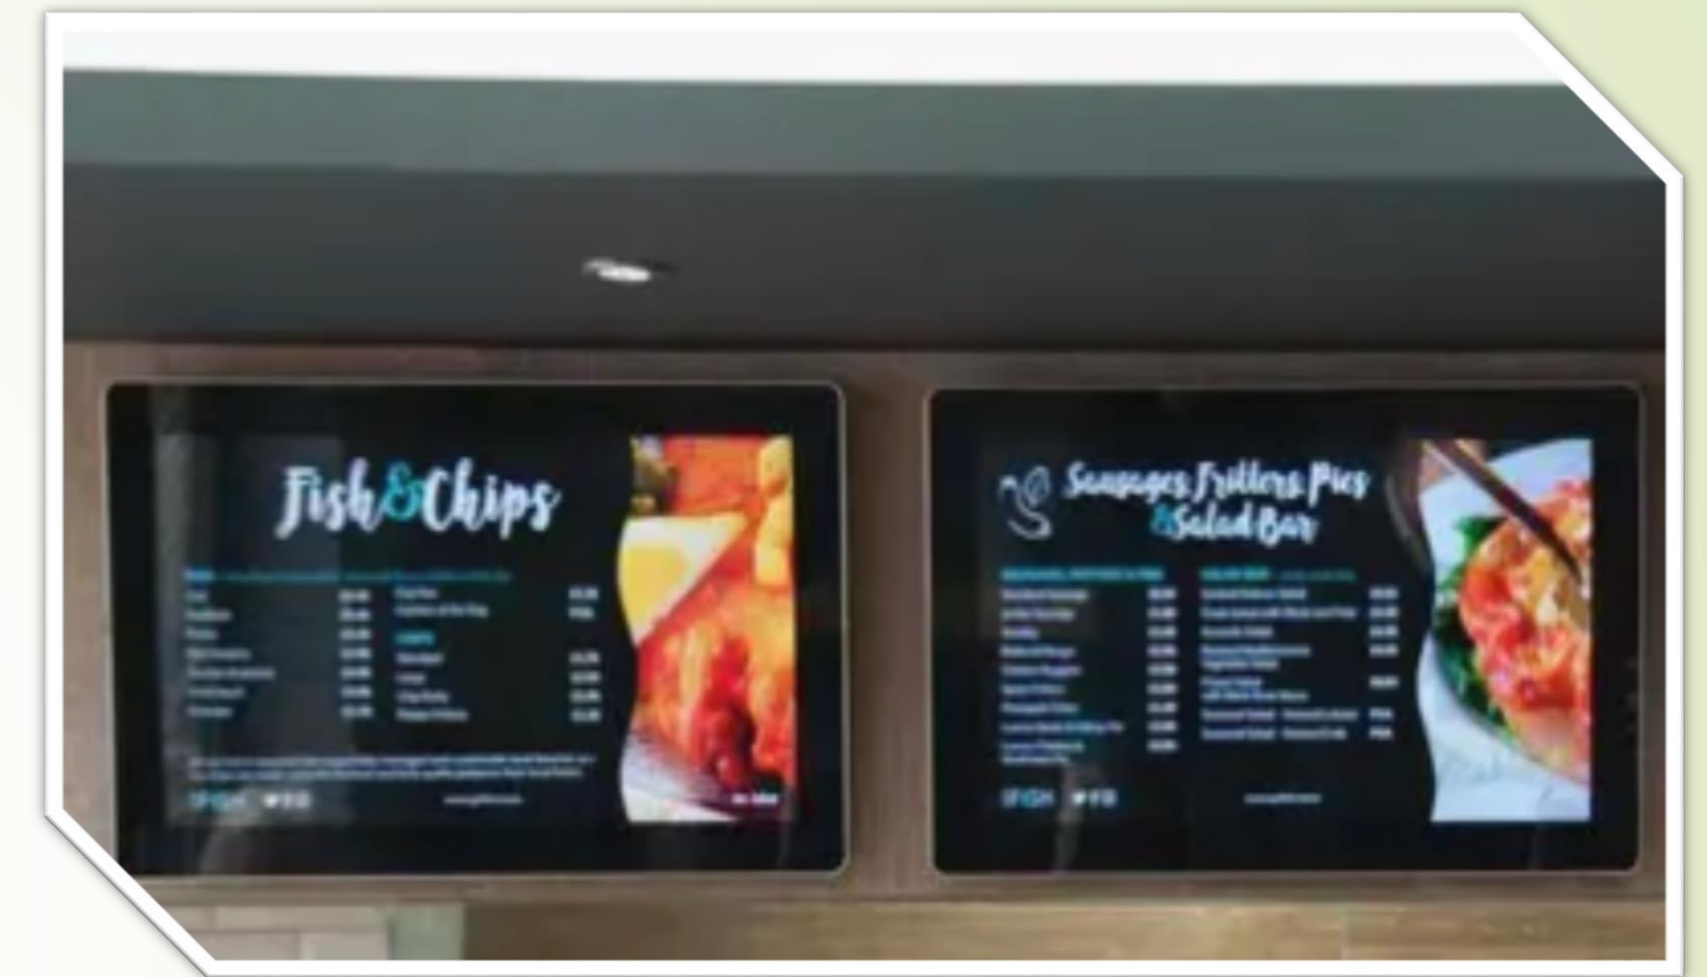

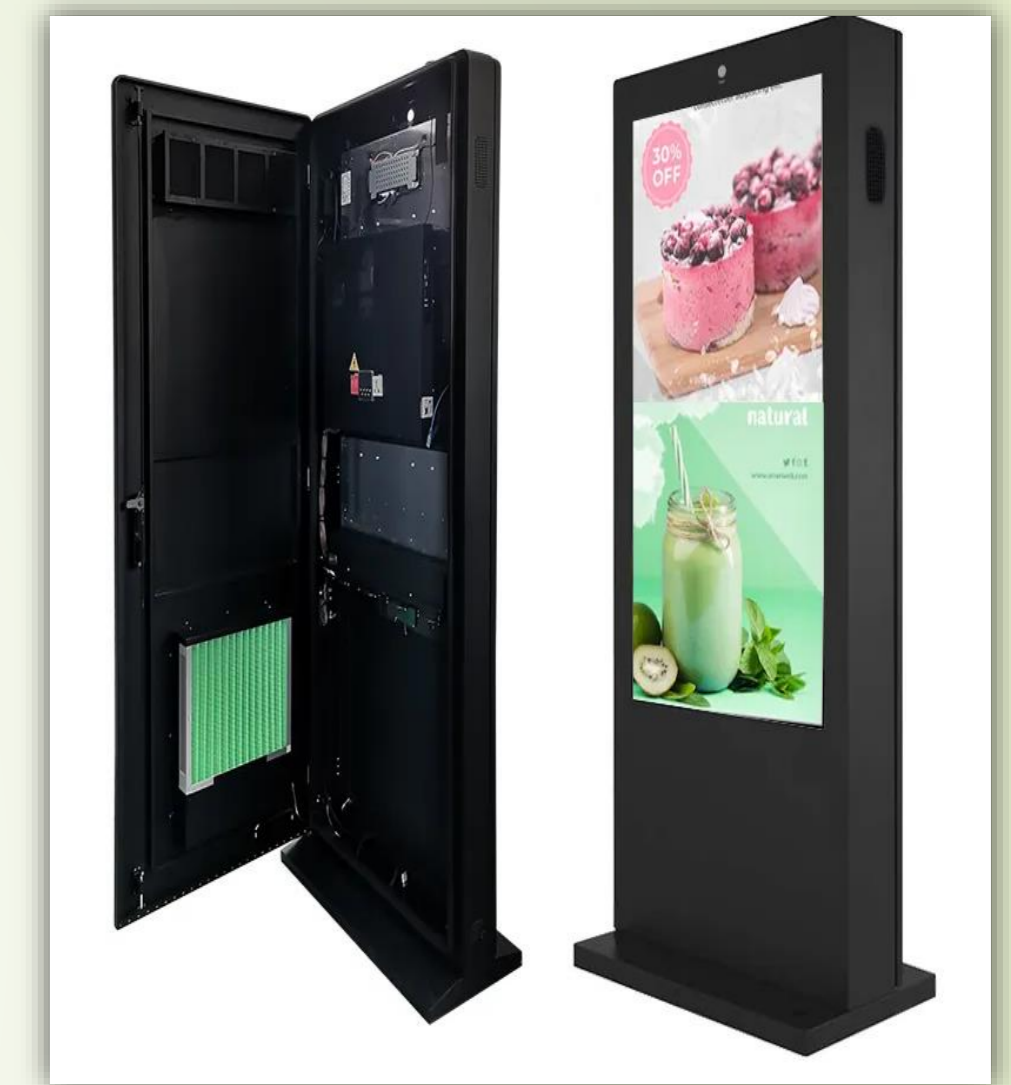

Our Product Line

Indranksh

Product Range
1 Digital Menu Display
2 Digital Signage Display
3 Digital Standee Kiosk

4 Portable Standee Kiosk
5 Wall Mounted Display
6 Solar Based Display System

Digital Menu Display/Signage

| product function	Hanging Wall mounted HD screen lcd advertising display Electronic signage digital menu board for restaurant	
optional size	24/32/43/49/55/65/75/86inch	
Panel	Aspect Ratio	16:9
	Resolution(Pixel)	1920*1080
	Display Color	16.7M(8bit)
	Brightness	350cd/m
	Ratio	1300:1
Ultra-narrow edge	4mm/8mm	
Audio	Loudspeaker	2×5W(8Ω)
	Sound	Stereo

Specifications are for reference only, please contact me for more information.

OS	CPU Options	Cortex—A91.6GHz
	RAM	2G/4G DDR4
	ROM	Standard 16GB(32GB/64GBoptional)
	WiFi module	Support WIFI 802.11gb/n
	3G	3G/4G module(optional)
Input	Intput Voltage	AC100-240V,50 /60HZ
	Standby power	≤1W, Support standby
Appearance	Raw materials	Toughened glass + Ms + Plastic
	Color	Black
	Installation	Wall mounted/Celling Mounting

Touch Based Interactive Panel
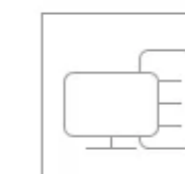

Interactive Whiteboard

Whiteboard Type: Interactive Whiteboard
Color: black/White
Aspect Ratio: '16:9
Panel Type: LCD
Panel Size: 75inches or customized
Resolution: 3840*2160
Product name: Smart Interactive Whiteboard
Interface Type: HDM1,USB,WIFI,LAN,etc
System: Android/PC
Viewing Angle: 178 (H) / 178 (V)

writing method: Pen/Finger Touch
Application: School Teaching,Meeting,Query
Display Color: 10bit,1.07B
Installation way: Wall Mounting/Mobile Stand
Glass type: 3/4mm Tempered Glass
Function: PC,Tablet,Projector,Writingboard,Projection Screen,S
Packing Dimension: 1860*1210*230m
Screen Size: 55/75/86/98/110 inch
Brightness: 400cd/m2 or customized
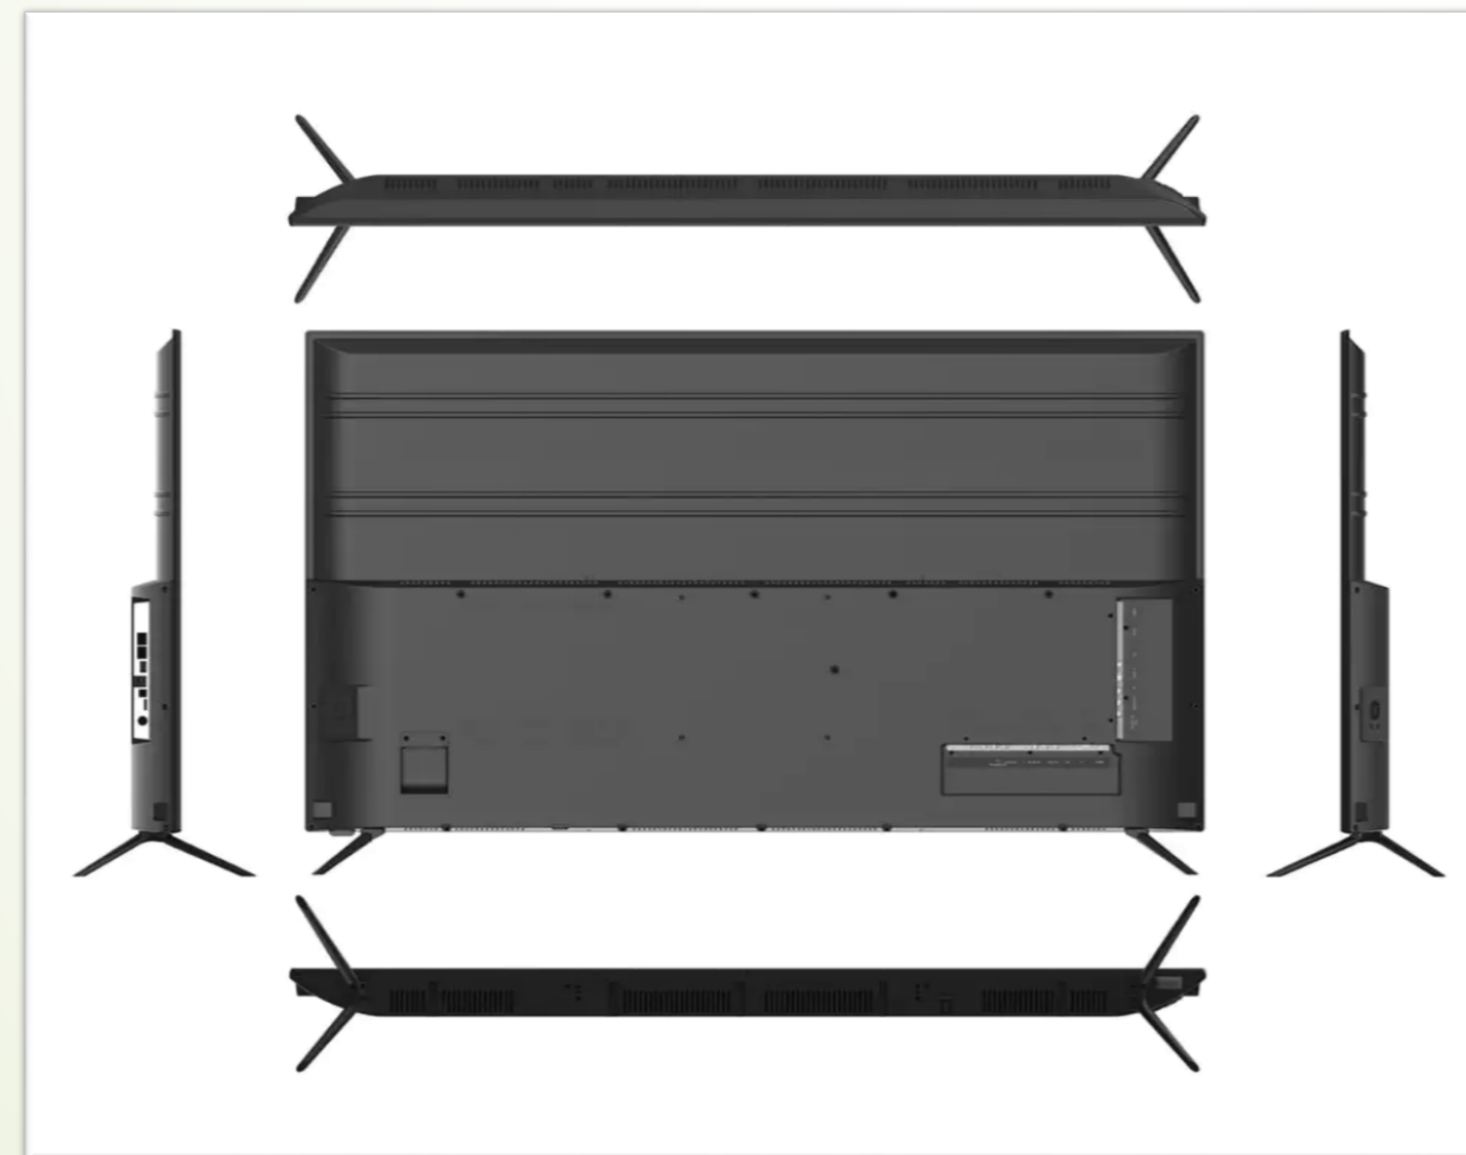

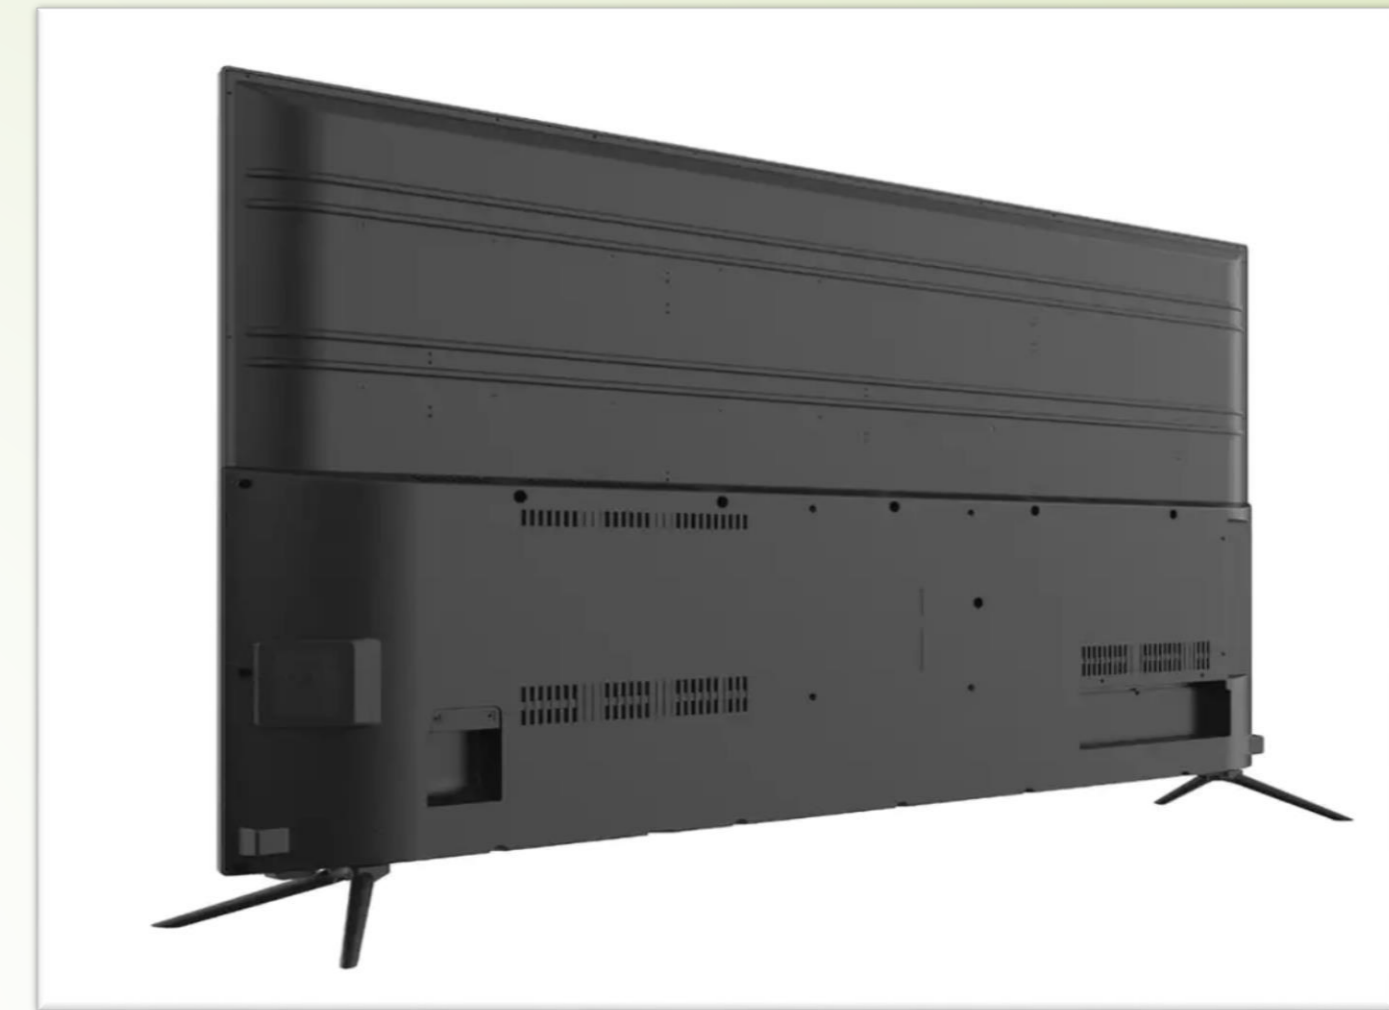

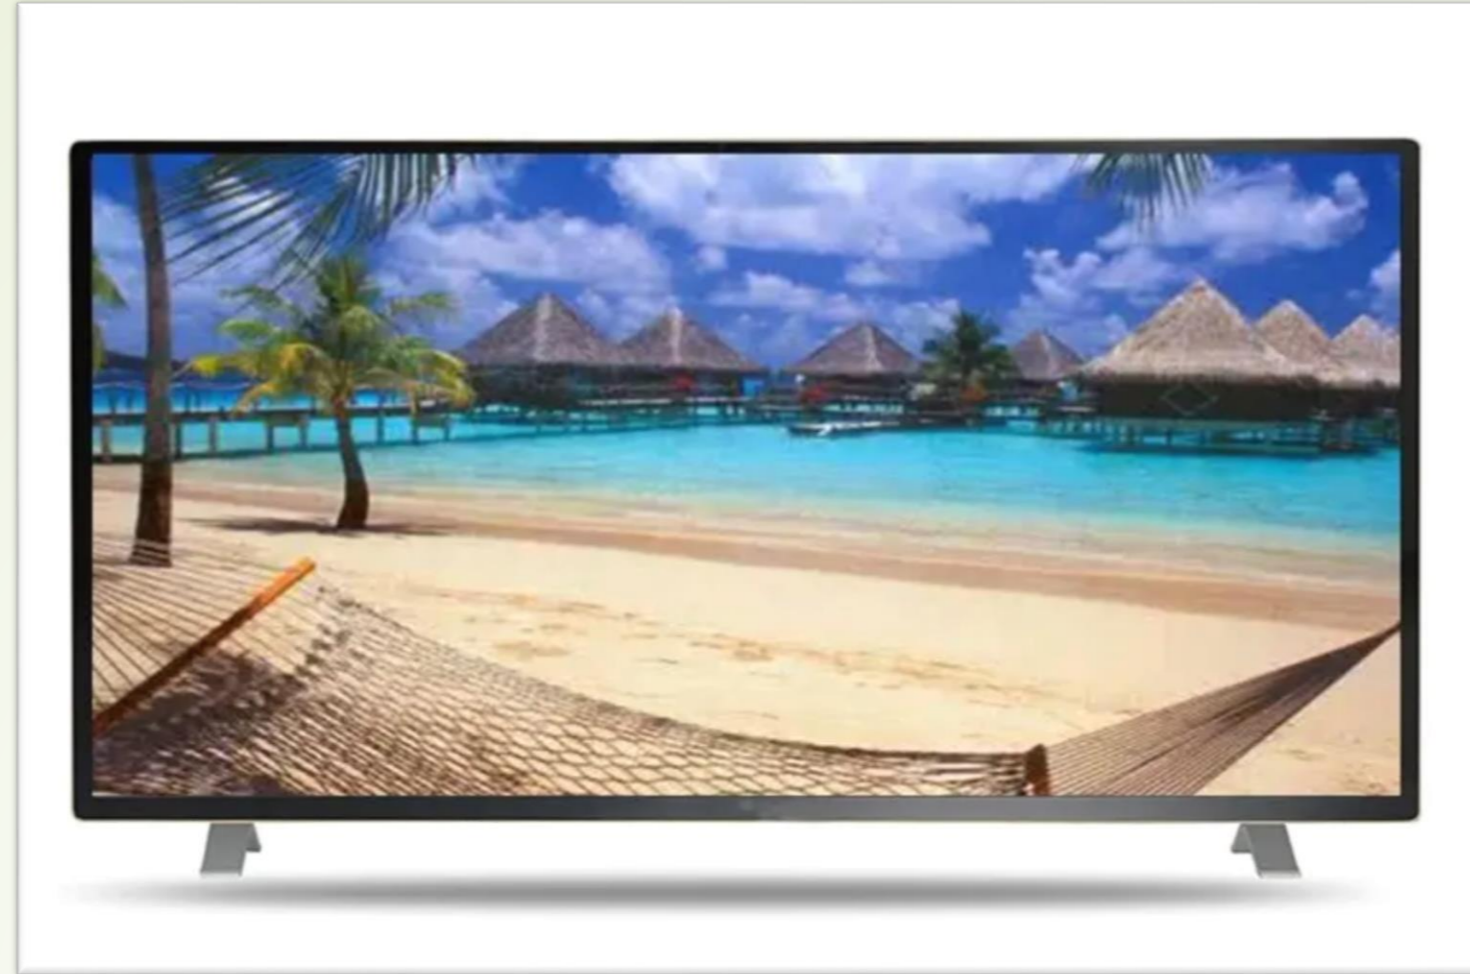

Infrared touch | Computer system | Android system | HD camera | Support customization

Large Format Non-Touch Display

Backlight Type	LED
Cabinet Color	black
Definition	Standard
Display Format	1080p (Full-HD)/3840P (4K)
Interface Type	VGA/HDMI
Place of Origin	India
Private Mold	NO
Receiving System	PAL
Refresh Rate	Ntsc(60Hz)
Resolution	HD1080(1920*1080)
Screen Size	32/43/55/65/75/85/98/110 Inches
Type	LCD
Use	Hotel TV
Wide Screen Support	Yes
Size	32"-110 Inch
OEM	Mapkit
Color	Black Color
OSD Language	Multi-language OSD Optional
Warranty	12 Months
Power supply	AC100-240V 50/60Hz
Function	SMART/ ANDROID/ DVB T2S2
Interface	VGA USB YPBPR TV and others
Application	Home Theatre
Smart System	Android 7.0 ;Android 9.0;Android 10.0:Android11.0

SUPPORT AND SERVICES

Our Services and Installations Team

- We have leading partners for Product delivery.
- We are in all state with exclusive services and support with extensive services.
- Our team is dedicated and proactive with service and support.
- We Provide Installation at all our delivery Location with Expertise Service Engineer.

QUALITY ASSURANCE & MANUFACTURING CONTROLS

- Manufacture is done under our Quality Assurance system that conforms to the requirements of ISO9001. Our normal protocol is to provide Inspection and Test Plans (ITP's) for all machined components. All dispatch dates are controlled by our manufacturing factory plan software that shows programmed timing of every function of every part in real time so we can micro manage your project deliveries and offer prompt on-time delivery.

- We are committed to provide each and every customer with the highest standard of customer service. We assure you about the good quality and authentic products. We provide hassle free prompt services in most of the area. We want to build a long term relationship with our buyers and believe that a satisfied buyer is worth more than anything else. We sell only high quality products and each item is thoroughly inspected before shipment.

- In addition to all these products, we work very closely with our customer to develop new innovative special products and to meet their specifications. The name and business strength that has been earned by our organization today, is due to the professionally equipped and able staff, who have a varied experience in the same field of the Indian market and have good knowledge of services as per customer satisfaction.

- This is further enhanced by the innovative ideas of the management, who strive from time to time in creating awareness and keeping the company
- strength as par the latest development of today's world

- With this range of products and solutions we offer, plus the supporting infrastructure we have, we firmly believe that Mapkit Solutions is well positioned and able to provide our customers with Turnkey Solutions that add value to their business.

- We look forward to being able to discuss any requirements you may have, currently and in the future.
