POS BILLING SOLUTION

POS Billing Machine

- 15.6 inch Industrial Grade Touch
- Adjustable angle
- Touch Screen 5 wire resistive touch screen or capacitive touch screen
- Super Stable Aluminum Alloy base Design
- Smooth Touch
- Light in weight .

with 3 years of warranty.

PRODUCT KEY FEATURE

Robust, Seamless monitoring during the long rush hours*Smooth touch based POS, Refined, Easy Installation .

PRODUCT TECHNICAL SPECIFICATION

- Core i3/i5 processor 3rd generation or above
- Resolution = 1024*768(Max)
- Storage Memory = 64 GB
- Solid State Disk (SSD)
- 128 GB Solid State Disk (SSD)
- 250 GB Solid State Disk(SSD)
- System Memory = 4 GB RAM
- 8 GB RAM (upgradeable)

POS Billing Machine With Weighing Machine

- Integrated weighing machine
- Inbuild printer
- 15.6 inch Industrial Grade Touch
- Smooth Touch
- Dual Screen

with 3 years of warranty.

PRODUCT KEY FEATURE

Highly Accurate weighing scales, Seamless monitoring during the long rush hours, Smooth touch based POS

PRODUCT TECHNICAL SPECIFICATION

- CPU - Celeron J1900, Intel Core i3/i5/i7
- Memory - 4GB/8GB
- OS - Windows* Touch Screen
- Capacitive Multi Point Touch
- Second Display- 15 Inch or 15.6 Inch
- LED Without Touch
- Range - 6/15kg
- Build-in Printer - 58mm Thermal Printer, 70mm/s
- Touch Screen - Capacitive Multi Point Touch

POS Billing Machine All In One

- 15.6 inch Industrial Grade Touch
- Adjustable angle
- Compatibility With Various Application & Strong Durability
- Inbuild Printer

with 3 years of warranty.

PRODUCT KEY FEATURE

Robust, Seamless monitoring during the long rush hours, Smooth touch based POS, Refined,Easy Installation .

PRODUCT TECHNICAL SPECIFICATION

- CPU - Processor I3/ I5
- Memory - 4GB/8GB
- OS - Windows
- Touch Screen
- Build-in Printer - 58mm Thermal Printer, 70mm/s
- Touch Screen - Capacitive Multi Point Touch

Mini POS

- Compact all in one touch pos
- Efficient and robust billing machine
- Smooth touch
- Dual Screen
- Inbuild Printer

with 3 years of warranty.

PRODUCT TECHNICAL SPECIFICATION

- CPU - RK 3288 Quad core 1.8G
- Memory - 2GRAM
- Dimension(mm) - 360*470*530mm
- Printer - 58mm/80mm Thermal Printer scanner - 2D
- External storage card - TF card maximum support 128G.

KDS Machine

- No Delay in Order Taking
- No Missing of Order
- Cheaper than Paper KOT
- Integrated Online Ordering
- Streamlined Kitchen Operations

with 3 years of warranty.

PRODUCT TECHNICAL SPECIFICATION

- Core i3/i5 processor 3rd generation or above
- Resolution = 1024*768(Max)
- Storage Memory = 64 GB Solid State
- Disk (SSD) , 128 GB Solid State Disk(SSD) , 250 GB Solid State Disk(SSD) .
- System Memory = 4 GB RAM, 8 GB RAM

Cash Drawer

- 5-Bill/8-Coin Metal Cash Drawer

with 1 years of warranty.

- Cash Drawer With Lock & Key and Micro –Switch

Thermal Printer

- Windows , IOS & Android 3 different platforms supported on one printer.

with 1 years of warranty.

PRODUCT KEY FEATURE
Auto Cutter, Quality Printing, Fast Printer

PRODUCT TECHNICAL SPECIFICATION

- Thermal Printer - TH - 9205
- Max. Print Speed - 220 mm/sec
- Paper Width- 79.5mm paper
- Cutter - Auto Cutter
- Interface - USB USB only or serial + USB + (Factory Option)

Pos Machine With Customer Display

15.6 inch Industrial Grade Touch, 15" LED Second Screen available, Adjustable angle, USB Interface, Refined, Easy Installation & Super Stable Aluminum Alloy base Design, Support High Performance, Compatibility With Various, Application And Strong Durability, Low Power Consumption, Low Noise and Low Heat

with 1 years of warranty.

PRODUCT KEY FEATURE
Robust, Seamless monitoring during the long rush hours, Smooth touch based POS, Printer support.

PRODUCT TECHNICAL SPECIFICATION

Model - Touch Pos, CPU - Processor I3/ I5, 15 inch TFT LCD retail pos machine & 15 Inch LED Touch Based, Resolution - 1024*768(max), Touch Screen - 5 wire resistive touch screen or capacitive touch screen, Storage Memory - 64 GB Solid State Disk (SSD) , 128 GB Solid State Disk(SSD) , 250 GB Solid State Disk(SSD) System Memory - 4 GB RAM
